ONLINE REGISTRATION INSTRUCTIONS

1. Advisers should register members, not students.
2. Log on to the national web site (www.fbla-pbl.org)
3. Click "Membership Registration" on the left hand side of the page.
4. Click "Register Now."
5. Key in your chapter number (do not key in hyphens or zero) and the password.

Once logged on, complete the following steps:

Step 1 – School Information: Review current school information. To update contact information, click "Edit School Information" button.

Step 2 – Adviser and Principal Information: Review and update adviser contact information to receive national mailings. There must be at least one person designated as a Primary Adviser. Please include an e-mail address.

Step 3 – Select Prior Year Members or Add New Members: If your school had members last year, select members from last year's roster to move to the current year. (Members are shown 50 at a time.) Once you have selected members to move to the current year, click Go to Members Page to continue. If you did not have members last year, simply add members for this year. Once all names have been added, click Post and Continue. You must click Post and Continue for students' names to be saved. For new members, please double check spelling. Once membership has been posted and an invoice has been created, all spelling corrections must be e-mailed to membership@fbla.org. Note: once members are entered, you will receive an invoice for payment within 30 days.

Step 4 – Professional Division Members: Add new Professional Division Members or select from a list of last year's members and include address, title, organization, e-mail, phone, and fax. If you do not have professional members, skip to step 5.

Step 5 – State and National Dues: Review total amount of state and national dues for the most recent invoice. (FBLA-PBL Membership dues are unified. State dues and National dues must be paid to be considered a member. Refer to the National and State Dues link or the reverse Membership Dues Reporting and Procedures for 2011-2012).

Step 6 – National Scholarships: Contribute to National Scholarships (optional).

Step 7 – Invoice/Receipt: Once you have completed your registration, click the Invoice/Receipt link. Print a copy of this page for your records, and mail a copy with payment to:
